4. Dear Pentecostal Credit Union,

I just want to send my sincere condolences to our founder's family and work colleagues of the Credit Union.

I worked for Reverend Jones for 15 years in his other charity called **Rescue training Centre**. He sure was a great person, positive and always stayed focus on his task. He worked tirelessly to ensure that the Legacy of the Credit will continue after he had gone. Now he's gone to be with the Lord whom he loved so much. I salute you Reverend Jones as you had also been a tower of strength to me and family.

Thanks for everything, May the Credit Union continue to grow as strong as possible showing the UK that all the hard work done in the early years have paid-off.

He made the lives of so many black people, & others, so much easier for them to gain financial support. When the banks were turning us away, the PCU was there to help us with loans, mortgages to purchase homes & mortgages to purchase churches too!

A visionary, great man of God, may he rest in God's arms.
